Dear Ms. Hunt,

We are proud to inform you that because of your dedication to the field of nursing and your perseverance in the Graduate program at the University of Mary, our committee has selected you as a recipient for the

**2012 International Nurses Association
Scholarship Award**

Out of the many applications the committee received, yours impressed us for a variety of reasons. Your personal and professional goals including your objective to continue to “influence, inspire, and motivate prospective and experienced nurses” line up with the goals of our organization as detailed in our mission statement below:

“The International Nurses Association is committed to delivering the highest quality networking products and benefits to those medical professionals who have demonstrated a level of excellence and accomplishment in their specialty. We strive to build long term relationships with each member by providing individualized assistance tailored for their specific needs. Our goal is to support and inspire our nurses at all stages in their career in the U.S. and around the world.”

We will be sending you a check via certified mail for \$500.00 which is made payable to your name and is non-transferrable. As we have done in the past, we will promote your receipt of this award through various social media outlets as well as in our next issue of *NurseAdvisor* magazine. Therefore, we would ask that you submit a digital photograph taken of you holding the check to be returned to us via email at your earliest convenience. In this way we can continue to provide you with valuable recognition and exposure.

Once again, on behalf of the International Nurses Scholarship Committee and our entire organization, I would like to extend my sincere congratulations for this well-deserved honor. We look forward to your continued participation in our organization. If you would like to nominate a fellow nurse for inclusion in our organization, please visit: inanurse.com/enroll.php

With Professional Respect,

Dana Jarrett, Chair
